ORDER

(Order of the Court was made by **DR.G.JAYACHANDRAN, J.**)

On 22.09.2025, this Court after considering the plea raised in this writ petition and photographs annexed, passed the following order:

“Mr.J.Ashok, learned Additional Government Pleader accepts notice for R1, R2 & R4 and will also confirm if the temple is under the control of the Archaeological Department.

2. Mr.R.Shankar Ganesh, learned counsel accepts notice for R3 and R5.

*3. The pictures which have been filed along with the compilation indicate *prima facie* that the shops that are located outside the temple have put up brick work, which is introducing into the mandapam itself. Such brickwork be removed immediately and forthwith. We are also given to understand that there are shops within mandapam itself. It is made clear that there can be no commercial activity that takes place inside the temple Mandapam.*

4. List on 06.10.2025.”

2. 3. We are shocked to see how an ancient structure containing sculptures with excellent artistic work has been let out for rent by the HR & CE Department unmindful of their responsibility to protect the antique structure. Wastage materials, construction materials and other debris are kept inside the mandapam.

4. The Joint Commissioner had involved in exploiting the temple property for financial gain. The writ petitioners, who are arrayed as respondents 6 to 16 in this writ petition, can have no right to occupy or damage the antique and ancient structures of the Temple, on the strength of the illegal permission granted by the Joint Commissioner, HR & CE Department. Allowing them to be in the mandapam even a day more, will continue the deterioration of the building. Therefore, to arrest further deterioration, it is necessary to direct the second respondent/Joint Commissioner, HR & CE Department, Kanniakumari to take necessary assistance from the Police and remove the entire encroachment, seal it and file a report along with photographs on or before 12.02.2026.
