**Court No. - 11**

**HON'BLE ABDUL MOIN, J.**

**HON'BLE MRS. BABITA RANI, J.**

Personal affidavit of the Investigating Officer filed today in Court by the learned AGA be kept on record.

The matter pertains to a person having gone missing from the State capital on 22.04.2025 for which a missing person report has been lodged on 23.04.2025, a copy of which is annexure 1 to the writ petition.

Despite lapse of more than eight months, the said person has still not been traced out although the personal affidavit only indicates about efforts having been made. It is rather strange that once the State capital is equipped with the CCTV cameras on all major roads and Chaurahas, a person in the State capital having gone missing in April, 2025, has still not been traced out.

The matter is serious.

Accordingly, let the Principal Secretary (Home), Government of Uttar Pradesh, Lucknow file his personal affidavit indicating as to why despite more than eight months having lapsed and a person having gone missing from the State capital which is equipped with CCTV cameras everywhere, the said missing person could still not be traced out.

Let the said affidavit be filed within three weeks.

List this case on 04.02.2026.

In case the personal affidavit is not filed by the next date then the Principal Secretary (Home), Government of Uttar Pradesh, Lucknow shall appear in person along with record to assist the Court.
