*These guidelines have been issued to ensure that no such incident reoccurs in future.*

*13. It is respectfully submitted that since the children have been found fit after health checkup, no compensation has been granted to the students. It would be apposite to mention that the health of the students are being monitored continuously by the Primary Health*

*Center Lachchhanpur.*

From bare perusal of the above affidavit, it transpires that on 28/07/2025, a dog soiled the food of the mid-day meal being prepared by the self help group, in the Government Middle School Lachchhanpur.

After coming to know about the incident, the Chief Medical and Health Officer, Balodabazar-Bhatapara has submitted a report and three doses of anti-rabies vaccine has been administered to 84 children of the school. It has also been stated that all the students are fit after regular health check up and they are regularly attending the school. It is also stated in the affidavit that the children are in continuous observation of primary health center Lachchhanpur and the Headmaster and Teachers of the said school have been placed under suspension.

Further the Collector, Balodabazar-Bhatapara vide his letter dated 08/08/2025 addressed to all the concerned in the school education, has issued certain directions relating to preparation and distribution of mid-day meal in the schools. With respect to grant of compensation to the students of the said school is concerned, it is stated in the affidavit that no compensation has been paid.

Considering the fact that it was an institution of the

Government and self help group was assigned to provide mid-day meal, but the said mid-day meal was soiled by the dog and it was unfit for consumption for the students of the school and though three doses of anti-rabies has been administered to 84 children of the school, it was negligent on the part of the State to take care that the food which was being offered in the mid-day meal by the self help group to the children of Middle School, we deem it proper that Rs.25,000/- be paid by the State to each of the student of the concerned Middle School, who had consumed the said meal, within a period of one month from today.

Further, we hope and trust that the State would be more vigilant and careful in providing mid-day meal to the children studying in the Government Schools.

Learned Court Commissioner has pointed out that so far as the fixation of food items in the Anganwadi Center, the State has filed a reply, wherein vide letter dated 17/02/2025, the State has requested the Center for revising the prices of the food items, but seven months have passed, no reply has been received from the Central Government.

In view of above, Mr. Diwan, learned Central Government Counsel appearing for the Ministry of Women & Child Development, New Delhi, prays for and is allowed a

week's time to inform this Court regarding the steps taken by the Union of India in that regard.

Registry is directed to array the Secretary, Ministry of Women & Child Development, Government of India, New Delhi, as a party/respondent in the present petition.

Further, through a covering memo, which has been filed by the learned Court Commissioner, it has been brought on record that certain Anganwadi Centers are being run in the dilapidated rented buildings.

In this regard, the Joint Secretary, Government of Chhattisgarh, Department of Women and Child Development, is directed to file his personal affidavit.
