4.It will be appropriate if the model of the team constituted in the Thalaivankottai Village at Tenkasi District can be formed in all the Districts and Panchayat Unions by effectively coordinating with the younger generations of each villager. So that the future citizens will learn how to achieve 'Unity in Diversity', which is highly cherished constitutional aspiration.

5.With these remarks and suggestions, I appreciate the swift action taken by the authorities and impresses upon them the need to carry forward this drive with the same spirit, without any dilution or compromise. Accordingly, this petition stands closed.
