

W.P.No.11665 of 2021

THE HON'BLE CHIEF JUSTICE  
and  
P.D.AUDIKESAVALU, J.

(Order of the Court was made by the Hon'ble Chief Justice)

Sufficient time has been afforded to the Government of Puducherry to refund money paid by citizens for obtaining treatment at private care facilities since the Government Medical Hospital and facilities during the second surge of Covid-19 could not admit all persons.

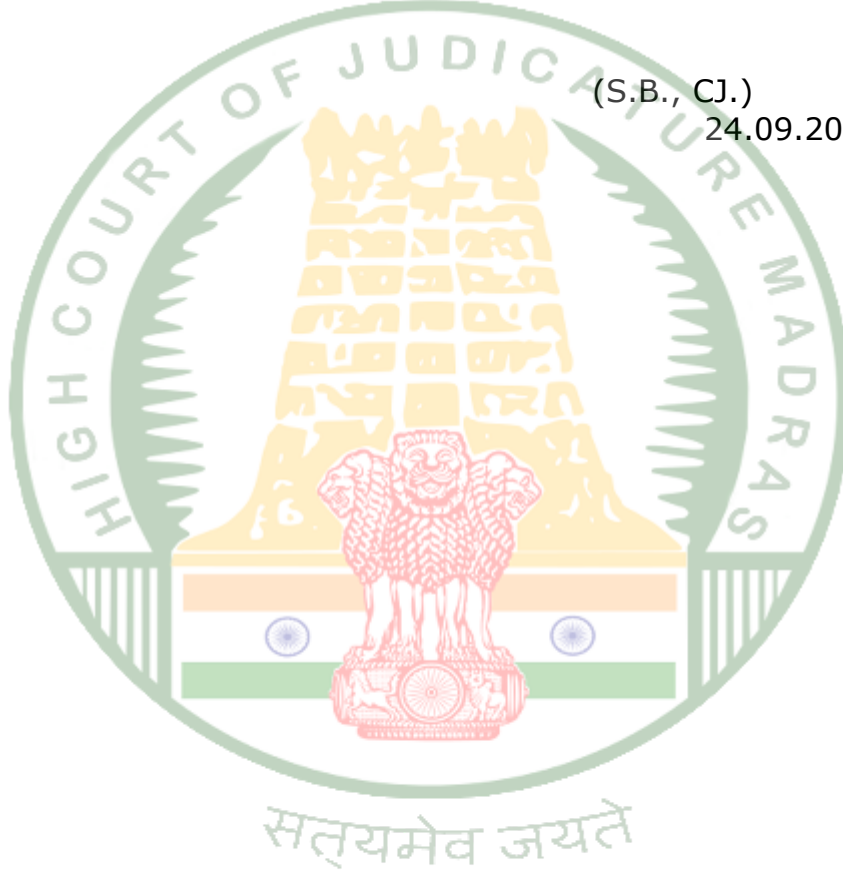

2. Despite previous assurances that refunds would be made and the money due to the private medical facilities which had been requisitioned for the purpose would also be discharged, a further request is made on behalf of the Union Territory for a status report to be filed.

3. The matter will now appear on September 30, 2021. In the event the status report does not indicate substantial refund having already been completed, serious consequences may visit the officials,

particularly the Chief Secretary and the Secretary or other official heading the Health Department of the Union Territory.

List on 30.09.2021.
