	<p>The interim order granted by the Full Bench on 10.02.2022 in W.P.No.2347/2022 and connected matters serves the cause of justice, as rightly submitted by learned AG. When important questions of law are being debated before the Full Bench on day to day basis, no other interim relief can be granted to the petitioners except the one granted by the Full Bench, in the fitness of things, petitioners arguably being the students of Degree Colleges.</p>
