UPON hearing the counsel the Court made the following
O R D E R

We have heard the learned counsel appearing for the respective parties. The petitioners are seeking extension of the time schedule and are praying for additional Mop-up round for filling up of the seats which have remained vacant in Nursing courses.

From the Notification issued by the Indian Nursing Council, the last date of admission for all nursing programmes for the year 2021-2022 was 31st of March, 2022. As per the settled position of law, the time schedule for admission in the educational institutions has to be adhered to. As such, the High Court has rightly refused to entertain the petitions and grant any relief of further Mop-up round to fill up the seats, which have remained vacant. So far as the submission on behalf of the petitioners that in the case of two other Government institutions, the time limit was extended to 15th of May, 2022 is concerned, the same is neither here nor there. There cannot be any negative discrimination.

With respect to all other institutions, the time limit of 31st March, 2022 has been adhered to. Even the date of 15th May, 2022 has already gone. The process of admissions in the educational institutions cannot be endless. It must come to an end at a particular point of time. If there is any extension and/or deviation from the time schedule, that will ultimately affect the education.

Under these circumstances, we see no reason to interfere with the impugned Judgment and order(s) passed by the High Court. The Special Leave Petition as well as the Writ Petition are, accordingly, dismissed.

Pending interlocutory application(s), if any, is/are disposed of.
