%

This writ petition has been preferred seeking the following reliefs:-

- “1. Directing the respondents to Grant a Compensation of Rupees fifteen lakh (15 lakhs) as a result of specific and exemplary damage to the petitioner.
2. Direct respondent no.1 and respondent no.2 to give a medical insurance of Rupees twenty five lakhs to the petitioner.
3. Directing the respondents to immediately seal the factories manufacturing firecrackers and shops, sealing firecrackers in the Delhi-NCR region.”

The petitioner who appears in person has failed to place on the record any material evidence which may even remotely establish any personal injury suffered by him on account of the causes which are alluded to in the writ petition.

The writ petition is thoroughly misconceived. It is accordingly dismissed as such.
