1. In order to ease out the traffic congestion around the High Court and after taking suggestions from stakeholders, the Administration of District Prayagraj has prepared a traffic plan and steps are also taken to implement the said plan.

2. In these circumstances on the request of Administration and Lawyers I alongwith my Brother Judge (Justice Rohit Ranjan Agarwal) conducted an inspection around the High Court and find that widening of roads are in progress. The plan was explained to us by the Senior Officers of Administration as well as Sri R.K. Ojha, President High Court Bar Association, Allahabad, Sri S.K. Pal, Government Advocate and other Advocates and we both are satisfied that Administration has taken right steps to ease out the traffic congestion. The Court hopes that the plan will be implemented completely, preferably within a period of two months from today.
