### **ORDER**

The petitioner, who is a member of a political party, seeks permission to conduct hunger strike near the Collectorate Office, Salem on 27.09.2023. The said request was rejected by the District Administration on 09.09.2023, citing traffic issues and disturbance to the public. However, at the very same place, the members of the ruling party had conducted a meeting. Therefore, the petitioner alleging bias, has come before this Court seeking permission to conduct a hunger strike in the place, where the ruling party conducted hunger strike.

2. The learned Government Advocate (Crl.side) submits that the ruling party was permitted to conduct hunger strike near the Collectorate entrance,

thereafter, better wisdom has thrown to the administration and decided not to permit any meeting or gathering near the Collectorate Office, Salem, which causes hindrance to the general public, particularly ambulance and patients going to the Head Quarters Medical College. Also the learned Government Advocate submitted that subsequently when Iyarkai Vivasayigal Sangam sought permission for conducting meeting in the said place, the same was also rejected.

3. If the District Administration has learnt a lesson and realised that there should not be any congregation of persons in the name of protest or meeting near the Salem Collectorate, it should be an uniform decision. It cannot be selective or pick and choose. Therefore, there shall be a restraint order to the District Collector, Salem that henceforth no public meeting or gathering near District Collectorate be permitted which hinder the free flow of traffic leading to the Government Hospital.

4. As far as this petition is concerned, if any application made for conducting hunger strike near Kottai ground, the same may be positively considered. This order of restrain from permitting any party or organisation to

gather near the Collectorate Office, Salem in the name of any protest or meeting

is to be scrupulously followed by the District Collector and the Superintendent

of Police, Salem, if any violation is brought to notice of this Court, it shall be

deemed to be a contempt and appropriate action will be taken in this regard.

5. With the above direction, this Writ Petition is disposed of. No costs.
