1. Present petition has been filed seeking a direction to the respondent to constitute Sanatan Dharm Raksha Board for protection of *sanatan dharma*.
2. Learned counsel for the petitioner states that there is no religious body for protection of the rights and customs of followers of *sanatan dharma*. He states that followers of *sanatan dharma* are being attacked by followers of other religions.
3. He states that he has made a representation to the Government of India, but has not received any response.
4. This Court is of the view that in writ jurisdiction, it cannot issue directions to the Government with respect to the issues which are within the

policy domain. The Courts do not have the knowledge or the capability to venture into the questions of policy and take over the function of the legislature/executive.

5. Accordingly, the present writ petition is closed after giving liberty to the petitioner to file a representation before the Government in accordance with law. The rights and contentions of all the parties are left open.
